

## NEW TOOLS

### 84000 EMERGENCY LONG REACH MASTER TOOL KIT

Master Tool Kit Provides Several Options to Get Into Most Vehicles Quickly and Effectively.

Two-piece glow-in-the-dark long reach tool is 54" when assembled and comes with white vinyl tips. 7" Tip can be used for a shorter, 36" reach tool. Button grabber can be bent to grab and lift lock button. Two combination wedges can be inserted between the vehicle door and frame, creating a gap to insert tools. The curved wedge is used to open the gap further. The air wedge is used in combination with the other wedges to create a larger working gap. Paint protector helps prevent damage to vehicle surfaces. Includes padded carrying case for storage and protection. The kit is intended for roadside assistance or emergency situations.
