Wrench Racks

Quik-Pik Wrench Racks organize 13 SAE and metric wrenches, while the clear labeling makes sizes easy to identify. Low profile polypropylene rack fits in 2" drawers and has a molded carry handle. Spring tabs keep wrenches in place. Universal racks provide a custom way to organize 13 standard or metric Wrenches. Shows at a glance when a wrench is missing and offers instant selection of the correct wrench size. Personalize wrench slots with the provided two sets of peel-off numbers. Made of durable polypropylene. Fits Metric sizes 6mm through 20mm or SAE sizes 1/8" through 1". Spring tabs can also be trimmed to fit extra thick wrenches. Fits most wrench brands. Made in USA.
